

ROYAL TUNBRIDGE WELLS TOGETHER BUSINESS IMPROVEMENT DISTRICT

Projects Officer Role Pack

Royal Tunbridge Wells – RTW

RTW has a rich and fascinating history, one of only a few spa towns in the UK, beautiful, picturesque parks, home to a diverse mix of high-quality branded retailers, specialist independent shops, hotels, bars & cafes and businesses across a range of sectors. However, despite our strengths and unique selling points RTW has not been immune to the economic challenges facing many town centres (particularly since Covid). Our businesses have suffered, and our retailers particularly have struggled with the changing face of consumer behaviour and impact of online shopping.

RTW Together – RTWT

We believe that a Business Improvement District (BID) can give businesses the power to make significant, targeted and sustained improvements to our town.

RTWT BID was launched on 1 April 2019 and has made great progress since then, particularly during the difficult Covid19 restrictions where we were able to support businesses navigate this challenging environment.

The 700+ RTWT BID levy payers are comprised from a range of sectors including national and independent retailers, professional services (financial, insurance and legal), creative, media, cultural organisations, tourism and hospitality. The town has a well-deserved reputation as a destination town with a rich heritage offer and beautiful countryside nearby.

Whilst the future remains uncertain with plenty of challenges on the horizon, at RTWT we are excited to face them and use our resources to make tangible differences to supporting RTW and local businesses develop and thrive.

Who we are looking for

We are now seeking a dynamic and motivated individual who is an organised self-starter that can engage actively in the office as well as help support the running of events and engage actively with businesses and the community of Royal Tunbridge Wells.

The role will involve some desk work, some event management and co-ordination as well as visiting businesses across the town to engage with them positively on behalf of the BID.

We are aware that highly capable prospective candidates sometimes rule themselves out of applying for roles because they're worried, they don't quite fit all the requirements, or because they've gained their experience in an unconventional setting (e.g. through voluntary work or in a different sector). So, if you're not sure if you're quite right for the job, please do get in touch with projectmanager@rtwtogether.com to chat a bit more about the role.
